Three 90" High Definition monitors

State College Regional Airport is offering advertising space in the heavily trafficked terminal areas. Three 90" monitors and strategic positioned wall space graphics can carry your full color message that will attract attention and drive consumers to your business. The average wait at a gate is nearly one hour, which provides valuable time to deliver your message.

All Three Monitors

90" Commercial Grade 4k \$900 per month

One Monitor

90" Commercial Grade 4k \$600 per month
